Since 1964 Saint Thomas Episcopal Church has supported a school providing an education for parents and children during the important early years of a child's development. We see the education offered as an important part of our ministry to the community of the Bryan-College Station area. Thank you for your interest in our school and the trust in our professional teachers and staff. St Thomas Early Learning Center has a long tradition of providing a developmentally appropriate, rich and diverse Pre-Kindergarten experience. **Children are accepted into our Pre-Kindergarten classes only if they become 4 on or before September 1st.**

If you have not visited a class it is important to do so before making such an important decision for you and your child. Please call the office if you would like to make an appointment.

The official Early Learning Center **School Calendar** is established each spring and is distributed with registration material in June. Beginning in the school year 2010-2011, we are pleased to offer a full day Kindergarten class (8:30 to 2:30) in addition to the half day Kindergarten class (8:30 to 11:45). The school recognizes that each child is unique and the decision to enroll in half day or full day is a family decision that requires careful consideration. Regardless of the length of the Kindergarten day, we assure you that your child will be given many opportunities and taught the skills that will prepare him for First Grade. Music enrichment and Chapel will be a weekly part of both programs.

If you have not visited a class it is important to do so before making such an important decision for you and your child. Please call the office if you would like to make an appointment.
