## ***Lasting Friendships .....***

*made at St. Thomas have proven over the years to be lasting friendships. Many of our former students who have now graduated and moved away, tell us that their **St. Thomas friends** are still their closest ones.*

# Enchanted Evening" ...Indeed!

Once a St. Thomas family—*always* a St. Thomas family! Many thanks to Anne & Mark Turgeon for hosting this amazing evening where so many friendships were renewed.

Shown below are Carl & Peggy Shaeffer who picked an "Incubator" leaf from the Giving Tree. They are pictured here with Beth Lawrence, Kindergarten Teacher, who will use the new incubator to hatch chicken eggs this week in her classroom. Many of the guests were also generous in wanting to purchase new equipment featured on the Giving Tree (at right) for our classrooms.

Thanks again, Coach!
